SWPPP WATER BUARITY/ANGERS NEMOTTING

RE: Caltrans Project – For Construction on State Highway in Alameda County in Fremont at Crandall Creek Bridge, Contract #04-4G8804, Bid Date: 11/08/2018, DBE Goal: 18%

**Subject**: Scope and Price Quote for providing Water Pollution Control Program (WPCP) Planning Services.

#### Dear Estimator:

S Kwok Engineers, Inc. is pleased to provide quotes for services as a Qualified SWPPP Developer (QSD)/Qualified SWPPP Practitioner (QSP) to perform the stormwater pollution control monitoring services for the referenced contract. Here is our company information for your bidding use:

We are a Minority Business Enterprise (MBE), a California Unified Certification Program (CUCP) certified DBE (Cert No. 37060 – Asian Pacific, Male) and Small Business Enterprise firm certified by the Department of General Services of California (SBE # 55132). Our DIR registration number is 1000001343 and annual gross receipt is below \$500,000. We have operated for more than 10 years. Our California Civil Engineer License is C 54292 and our QSD/QSP certificate number is 00399. We provide professional services only and do not provide construction work in the field therefore we do not possess a contractor license number.

We provide you an economical way to monitor the storm water compliance work on your project site. We will work with your construction team to perform storm water monitoring tasks. Here are our quotes for the following items:

Prepare WPCP for the Project.

Item No. 8 - Prepare Wa							Estimated fee
Preparing WPCP certified increase the fee by 200%	for preparing	the WPCI	P if you	don't	hire 1	us for	
the QSD/QSP Weekly Management.	Monitoring	Services	under	the	Job	Site	

The WPCP will conform to the Caltrans Standard. The draft WPCP will be submitted electronically to you for review and approval.

The above estimated fee does not include the hardcopies of the WPCP. If you need hardcopies, the printing cost is \$250 per set plus shipping. The hardcopy of the WPCP will be bounded in a ring binder and delivered to you via UPS ground.

The WPCP quote does not include the effort of preparing the Dewatering and Discharge Plan (DDP). It also does not include preparing water pollution control items for aggregate crushing plant or, concrete or asphalt concrete batching plant.

Payment shall be paid in full once the WPCP is approved or conditionally approved by the agency's Engineer for the beginning construction.

Here are remaining quote for the followings bid items:

Water Quality Annual Report	\$120 x 16	3 EA	\$5,760
	hours each =		
	\$1,920/EA		

Total Estimated Fees = \$402,360

(This is an estimated fee for our quoted items. The actual contracted

fees might vary from this estimated fee. During the contract period, we will submit the actual executed tasks or hours on our weekly timecard, and send to you for approval before invoicing for payment.)

**Note 1:** Your construction team will work with us and take responsibilities for the following allocated tasks: storm event (pre, during and post storm) monitoring, daily monitoring, storm water samplings and analysis, and reporting tasks. We will train your specified employees to perform these tasks and reduce your cost for hiring us fulltime. We can provide you the defined scopes between us before we hire for the job.

Under the scope of the Weekly Monitoring Service, S Kwok Engineers, Inc. will provide the following services:

Perform weekly visual inspection, prepare the Weekly Monitoring report,

We will train your staff to perform the following assigned tasks and your staff will submit these reports electronically to us for review and approval:

- Perform Pre, During and Post storm visual inspections and prepare Pre, During and Post storm report in the storm event report,
- Obtain Weather Monitoring Record,

If an incidental task is required such as reviewing or performing unpredictable weather work, our rate for a QSD/QSP is \$110 per hour. Incidental work can be the following items but not limited to:

- · Review and approve Pre, During and Post storm visual inspection reports,
- Provide WPCP training class,
- Prepare WPCP amendment,
- Prepare Notice of Discharge Report,
- Perform non-stormwater discharge and non-visible pollutant sampling and deliver samples to lab for analysis. Lab analysis cost and fees will be will be submitted separately.

If you want us to take over the entire tasks, we can provide you an estimated fulltime fees upon your request.

Parking and travelling expenses with 10% administration fees will be charged separately from the quotes above if it incurred on this project. The effort of monitoring the process of dewatering and preparing dewatering plan are not included in the above quotes. Our QSD/QSP roundtrip mileage cost is \$50 for each field monitoring work. The mileage cost is subjected to change depend on the assigned QSD/QSP location to the project.

#### Exclusion,

- · Ensure all employees have current water pollution control training,
- Authority to mobilize crew,
- Maintain WPCP documents including all monitoring reports and sampling data.

The quotes above include the stipulations described under the General Terms and Conditions listed below:

#### **GENERAL TERMS AND CONDITIONS**

S Kwok Engineers, Inc. ("Consultant") is responsibilities shall conform and are limited to the requirements of the Construction General Permit of California (CGP) or Project Specification, as applicable, to Consultant's retention as a QSP or QSD.

#### **WPCP** Documents

The minimum time required for Consultant to prepare a Water Pollution Control Program or Plan (WPCP) is ten (10) business days. In order for Consultant to prepare a WPCP, Contractor must provide information requested by Consultant concerning the project, including, but not limited to, the project schedule, construction documents, contract and/or purchase order. S Kwok Engineers, Inc. will submit WPCP documents to Contractors but is not responsible to maintain WPCP documents for the project.

Cooperation. Contractor shall cooperate with Consultant in obtaining documents and other information requested by Consultant, including, but not limited to, requests for information, change orders and other approvals, and the status of Consultant's applications for payment and payments to Contractor for work performed by Consultant. Contractor shall cooperate with Consultant's recommendations so as not to impair Consultant's ability to perform under the CGP or project specification as applicable, by, among other things, performing allocated tasks, ensuring CGP or Project Specification required documents retain on project site, mobilizing crews within 72 hours to implement or maintain BMPs or corrective actions. Consultant is not responsible for Contractor's assigned WPCP monitoring tasks if Contractor does not have sufficient labor to perform these tasks.

**Billing**: Except as otherwise provided herein, Consultant shall submit invoices monthly for work performed on the project. Payment term is net thirty (30) days from receipt of invoice for progress payment and no payment retention is allowed. Payments not received in accordance with this provision shall accrue interest at the rate of one and one-half percent (1-1/2%) per month from due date until paid.

<u>Insurance</u>. Consultant maintains, and shall maintain during the performance of its work on the project, the following insurance and coverage:

- General liability \$1 million per occurrence/\$2 million aggregate;
- Professional liability \$1 million per occurrence/\$2 million aggregate;
- Commercial automobile liability \$1 million combined single limit;
- Umbrella liability \$1 million;
- Worker's compensation liability \$1 million per accident for bodily injury or disease.

Insurance or insurance coverage required in addition to or in excess of the insurance and coverage provided under this provision shall be paid for by Contractor in advance of being acquired by Consultant.

Indemnity. Consultant only provides advisory services, does not perform physical construction work or deliver construction materials to the field, and is not responsible for water pollution or unauthorized discharge of pollutants from the project, including, without limitation, any resulting costs, fines, penalties or fees. Contractor shall indemnify, hold harmless, and defend Consultant from any and all claims, damages, liabilities or other obligations of any nature arising out of or which relates to Consultant's work on the project, except that caused by the sole and active negligence of Consultant.

<u>Incidental. Special. and Consequential Damages</u>. Consultant shall not be liable for any incidental, special or consequential damages, including, but not limited to, loss of revenues

or profits, liquidated damages, delay damages, or liabilities or other obligations to third parties.

Suspension of Work and Termination or Cancellation of Contract. Consultant may suspend work or terminate or cancel Consultant's contract with Contractor upon forty-eight (48) hours written notice to Contractor. Consultant may cancel its contract with Contractor for breach of any provision contained herein. Consultant may terminate its contract with Contractor for the following causes: (1) a force majeure event; (2) the filing of a voluntary petition in bankruptcy by Contractor; (3) the failure by Contractor to pay Consultant's invoices as provided herein; (4) the failure by Contractor to execute change orders or extra work.

<u>Site Conditions</u>. Contractor represents and warrants that the site conditions of the project are as represented in Consultant's contract with Contractor, drawings and specifications (collectively "Contract Documents") and acknowledges that Consultant has only relied on the site conditions as represented in the Contract Documents. Contractor shall be responsible for extra work necessitated by unforeseen site conditions not represented in the Contract Documents.

<u>Governing Law</u>. These Conditions and the Contract Documents shall be construed under, and governed by, the laws of the State of California.

The quotes above include the stipulations described under the General Terms and Conditions listed below:

If the proposal is acceptable to you, please send us your sub-contract or purchase order two (2) weeks before we start working on the project. This will allow us to resolve any contract issues if they arise.

Please feel free to call me if you have any questions. These quotes are valid for 6 months from the below date.

Respectfully submitted,

Disney Construction Inc. is an Equal Opportunity Employer and is requesting quotes from all qualified subcontractors and suppliers including certified DBE Firms. Disney Construction Inc. is willing to breakout portions of work to encourage DBE participation. Please contact us if you need assistance with the following: (a) Contacting bonding and/or insurance companies, (b) Arranging with sureties incremental or phased bonding for DBEs, (c) Paying for the cost of the bond insurance, (d) Waving bonding or insurance requirements, (e) Referrals to Business Development Centers for obtaining bonding, insurance, or lines of credit. Disney Construction, Inc. requires subcontractors for this project to provide 100% performance and payment bonds with a surety company subject to our approval. Disney Construction, Inc. will pay bond premium up to 1.5%. Subcontractor must possess a valid contractor's license, current insurance, worker's compensation meeting Disney Construction's requirement and be registered under Public Works Contractors Registration Law [SB 854]. Subcontractors will be required to abide by terms and conditions of the AGC Master Labor Agreements and to execute an agreement utilizing the latest DCI Subcontract incorporating prime contract terms and conditions, including payment provisions. Disney Construction is signatory to the Laborers & Cement Masons, Carpenters and Pile Drivers, and Operator Engineers. Disney Construction, Inc.'s listing of a subcontractor is not to be construed as an acceptance of all the subcontractor's conditions or exceptions included with the subcontractor's price quote. Please send in you scope letters 2 days prior to bid day and your quote 24 hours prior to bid. Please contact Amir Mutwakil at (650) 548-2513 with any questions, or email estimating@disneyconstruction.com. Please note that all contractors & subcontractors must register with The DIR (Department of Industrial Relations) in order to bid on public works projects. Include CSLB No. & DIR No. on all quotes submitted. rnFor access to plans & specs, use the link provided:

Disney Construction Inc. is an Equal Opportunity Employer and is requesting quotes from all qualified subcontractors and suppliers including certified DBE Firms. Disney Construction Inc. is willing to breakout portions of work to encourage DBE participation. Please contact us if you need assistance with the following: (a) Contacting bonding and/or insurance companies, (b) Arranging with sureties incremental or phased bonding for DBEs, (c) Paying for the cost of the bond insurance, (d) Waving bonding or insurance requirements, (e) Referrals to Business Development Centers for obtaining bonding, insurance, or lines of credit. Disney Construction, Inc. requires subcontractors for this project to provide 100% performance and payment bonds with a surety company subject to our approval. Disney Construction, Inc. will pay bond premium up to 1.5%. Subcontractor must possess a valid contractor's license, current insurance, worker's compensation meeting Disney Construction's requirement and be registered under Public Works Contractors Registration Law [SB 854]. Subcontractors will be required to abide by terms and conditions of the AGC Master Labor Agreements and to execute an agreement utilizing the latest DCI Subcontract incorporating prime contract terms and conditions, including payment provisions. Disney Construction is signatory to the Laborers & Cement Masons, Carpenters and Pile Drivers, and Operator Engineers. Disney Construction, Inc.'s listing of a subcontractor is not to be construed as an acceptance of all the subcontractor's conditions or exceptions included with the subcontractor's price quote. Please send in you scope letters 2 days prior to bid day and your quote 24 hours prior to bid. Please contact Amir Mutwakil at (650) 548-2513 with any questions, or email estimating@disneyconstruction.com. Please note that all contractors & subcontractors must register with The DIR (Department of Industrial Relations) in order to bid on public works projects. Include CSLB No. & DIR No. on all quotes submitted. rnFor access to plans & specs, use the link provided: https://disneyconstruction.egnyte.com/fl/DA1pPl6xsq. Disney Construction Inc. is an Equal Opportunity Employer and is requesting quotes from all qualified subcontractors and suppliers including certified DBE Firms. Disney Construction Inc. is willing to breakout portions of work to encourage DBE participation. Please contact us if you need assistance with the following: (a) Contacting bonding and/or insurance companies, (b) Arranging with sureties incremental or phased bonding for DBEs, (c) Paying for the cost of the bond insurance, (d) Waving bonding or insurance requirements, (e) Referrals to Business Development Centers for obtaining bonding, insurance, or lines of credit. Disney Construction, Inc. requires subcontractors for this project to provide 100% performance and payment bonds with a surety company subject to our approval. Disney Construction, Inc. will pay bond premium up to 1.5%. Subcontractor must possess a valid contractor's license, current insurance, worker's compensation meeting Disney Construction's requirement and be registered under Public Works Contractors Registration Law [SB 854]. Subcontractors will be required to abide by terms and conditions of the AGC Master Labor Agreements and to execute an agreement utilizing the latest DCI Subcontract incorporating prime contract terms and conditions, including payment provisions. Disney Construction is signatory to the Laborers & Cement Masons, Carpenters and Pile Drivers, and Operator Engineers. Disney Construction, Inc.'s listing of a subcontractor is not to be construed as an acceptance of all the subcontractor's conditions or exceptions included with the subcontractor's price quote. Please send in you scope letters 2 days prior to bid day and your quote 24 hours prior to bid. Please contact Amir Mutwakil at (650) 548-2513 with any questions, or email estimating@disneyconstruction.com. Please note that all contractors & subcontractors must register with The DIR (Department of Industrial Relations) in order to bid on public works projects. Include CSLB No. & DIR No. on all quotes submitted. rnFor access to plans & specs, use the link provided: https://disneyconstruction.egnyte.com/fl/DA1pPl6xsq. Disney Construction Inc. is an Equal Opportunity Employer and is requesting quotes from all qualified subcontractors and suppliers including certified DBE Firms. Disney Construction Inc. is willing to breakout portions of work to encourage DBE participation. Please contact us if you need assistance with the following: (a) Contacting bonding and/or insurance companies, (b) Arranging with sureties incremental or phased bonding for DBEs, (c) Paying for the cost of the bond insurance, (d) Waving bonding or insurance requirements, (e) Referrals to Business Development Centers for obtaining bonding, insurance, or lines of credit. Disney Construction, Inc. requires subcontractors for this project to provide 100% performance and payment bonds with a surety company subject to our approval. Disney Construction, Inc. will pay bond premium up to 1.5%. Subcontractor must possess a valid contractor's license, current insurance, worker's compensation meeting Disney Construction's requirement and be registered under Public Works Contractors Registration Law [SB 854]. Subcontractors will be required to abide by terms and conditions of the AGC Master Labor Agreements and to execute an agreement utilizing the latest DCI Subcontract incorporating prime contract terms and conditions, including payment provisions. Disney Construction is signatory to the Laborers & Cement Masons, Carpenters and Pile Drivers, and Operator Engineers. Disney Construction, Inc.'s listing of a subcontractor is not to be construed as an acceptance of all the subcontractor's conditions or exceptions included with the subcontractor's price quote. Please send in you scope letters 2 days prior to bid day and your quote 24 hours prior to bid. Please contact Amir Mutwakil at (650) 548-2513 with any questions, or email estimating@disneyconstruction.com. Please note that all contractors & subcontractors must register with The DIR (Department of Industrial Relations) in order to bid on public works projects. Include CSLB No. & DIR No. on all quotes submitted. rnFor access to plans & specs, use the link provided: https://disneyconstruction.egnyte.com/fl/DA1pPl6xsq.
